ABOUT US

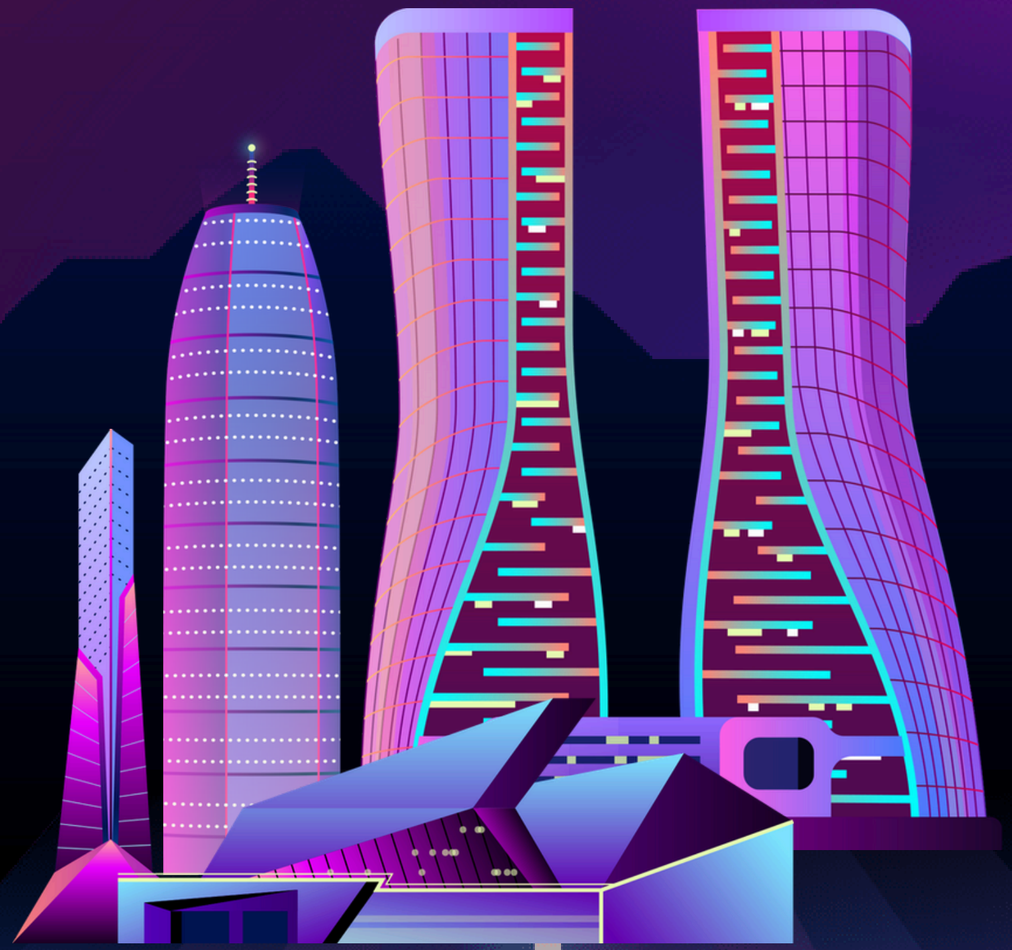

THE PINNACLE INTERNATIONAL thrives on a robust, fully decentralized ecosystem powered by a 100% verified, ownerless smart contract. This pioneering technology guarantees transparency and fair reward distribution within the community.

Built on the robust Binance Smart Chain (BSC) BEP-20 network and driven by its community, THE PINNACLE INTERNATIONAL capitalizes on Tether (USDT)'s efficiency and scalability to power its decentralized ecosystem.

With its tamper-proof smart contract and community-driven governance, THE PINNACLE INTERNATIONAL is engineered to deliver consistent performance and sustainability, making it a platform designed to run for a lifetime.

Join THE PINNACLE INTERNATIONAL and be part of the decentralized revolution, unlocking new opportunities for wealth distribution and community empowerment!

MISSION & VISION

OUR MISSION

To empower, connect, and unite individuals from diverse communities through a decentralized community-building platform that harnesses the power of smart contract technology. We aim to create a transparent, secure, and trustworthy ecosystem where individuals can participate, collaborate, share opportunities, and achieve mutual benefits while building long-term relationships and collective growth.

OUR VISION

To become a leading global platform that transforms the way people connect, collaborate, and engage within a decentralized ecosystem. Our vision is to foster a strong and inclusive community driven by transparency, innovation, trust, and collective success, creating meaningful opportunities for individuals while continuously advancing the future of decentralized community engagement

WHAT IS THE PINNACLE INTERNATIONAL

THE PINNACLE INTERNATIONAL is a fully Decentralized Smart Contract operates autonomously on a blockchain, ensuring trust, transparency, and security without intermediaries. It is immutable, meaning its code cannot be altered once deployed, and self-executing, triggering predefined actions based on coded conditions.

KEY FEATURES

This technology underpins secure, decentralized ecosystems, enabling seamless smart contract.

VERIFIED CODE

Audited and publicly accessible for integrity and security assurance.

AUTONOMOUS EXECUTION

Runs independently without external control or interference.

TRUST LESS SYSTEM

Eliminates reliance on third parties, ensuring peer-to-peer interaction.

IMMUTABLE & TRANSPARENT

Permanent and visible on the blockchain for full accountability.

WHY WE CHOOSE

TETHER USDT AS THE MAIN CURRENCY FOR OUR SMART CONTRACT

STABILITY

USDT is a stablecoin that is pegged to the value of the US dollar (USD).

WIDE ACCEPTANCE

USDT is widely supported across various platforms.

LIQUIDITY

USDT has high liquidity, making it easy tradable.

RELIABILITY

USDT's stability and reputation make it a trusted choice.

GLOBAL AUTO POOL INCOME - 30%

GLOBAL CONTRIBUTION → A percentage of all users' payments is added to a central "auto pool."

AUTOMATIC DISTRIBUTION ← Income generated from the global pool is automatically shared among members at each of these five levels, according to the plan's distribution percentages.

EQUAL SHARING → Everyone in the pool receives the same share based on the level.

Each user will be able to earn this income. This income is distributed automatically to members without any distinction depending on the basis of “first come first serve”

UPGRADE INCOME

Upgrade income is the commission you earn when your directly referred member upgrades to a higher package or level in the network marketing plan.

UPGRADE MECHANISM

50% of earnings are **auto-upgraded** to the next package in a one-time upgrade, propelling your growth.

In cases where a downline member upgrades to the higher package prior to the upline, upgrade income shall remain on hold. Upon upgrading manually or automatically, **all held upgrade income** will be **automatically credited.**

If the upgrade wallet balance exceeds **$40,957**, whether through auto or manual upgrades, the excess amount can be withdrawn after upgrading to the Diamond Package.

"Unlock your potential by recruiting new members to your team and growing your network."
